## About Medent Medical

After 30 years supplying the medical profession, Medent Medical remains 100% kiwi owned and 100% committed to delivering to you the best of medical, surgical, pharmaceutical and equipment supplies whenever you need them.

## BISMOS - The innovative inventory management tool

We wanted to make it easier for you to order, store and manage your medical supplies. We came up with BISMOS. A complete stock management and ordering solution that takes the pain out of supply management.

With the help of BISMOS you can:

- ✓ Automatically generate your next order by scanning products in your storeroom
- ✓ Easily check stock levels
- ✓ Improve practice productivity
- ✓ Cut medical supply ordering in half
- ✓ Reduce out of stock items
- ✓ And much more

[Discover how BISMOS can work for you](#)

## Providing you the best of medical, surgical & pharmaceutical supplies

With a constantly expanding inventory with thousands of products to choose from, including all of the major brands, when it comes to [medical supplies](#) think of Medent Medical as your 'go to' company. We have been supplying the medical profession with the best of medical, surgical, pharmaceutical and equipment supplies for more than 30 years. That is 30 years of working for you to simplify your ordering needs. You simply won't find a faster, more efficient way to manage your inventory.

Ask how we can help you:

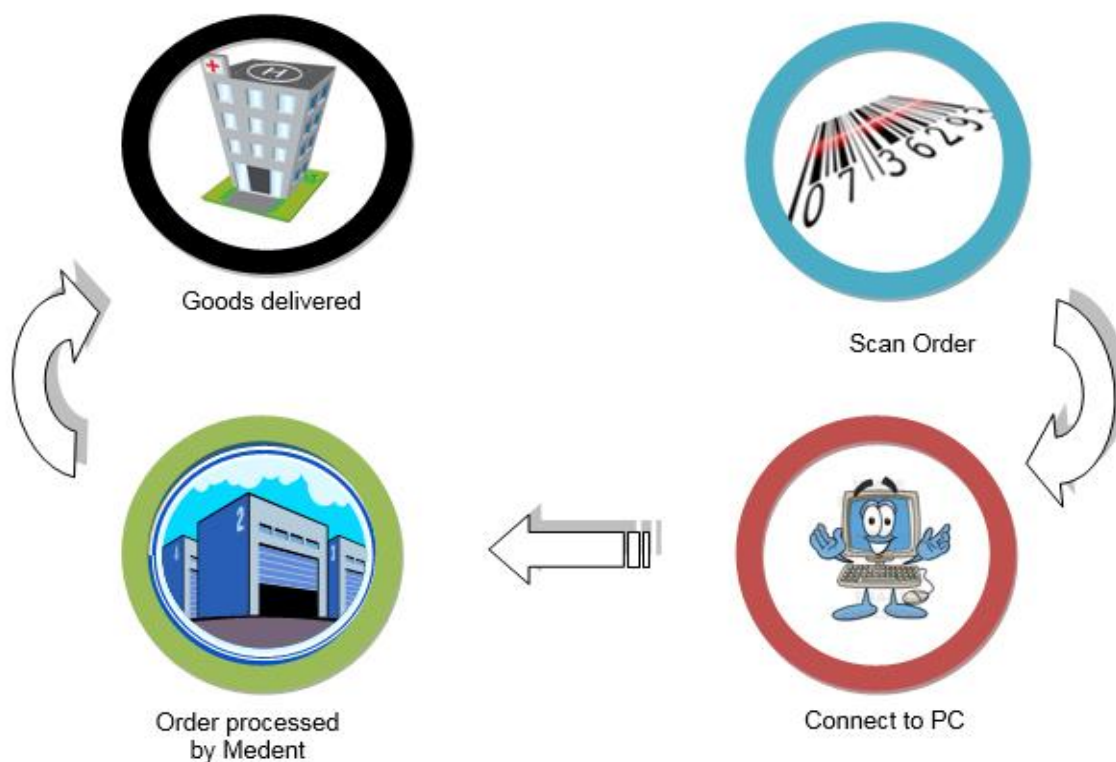

- ✓ Optimise your ordering process
- ✓ Streamline inventory replacement
- ✓ Facilitate easy online ordering
- ✓ Enhance your productivity
- ✓ Improve ordering efficiency
- ✓ And save yourself both time and money

For more choice, better service and expert advice on your medical supplies, [contact us today](#)

## BISMOS AUTOMATED ORDERING AND STORAGE SOLUTIONS

- ✓ Save your time spent ordering supplies
- ✓ Reduce order error rate
- ✓ Easy checking of what stock you have
- ✓ Flexible modular system
