

# Cutan®

## Alcohol Foam Skin Sanitiser

Unique new, worldwide patented, high efficacy foaming alcohol skin sanitiser that works instantly.

**Usage:** Use frequently or when needed. Designed to complement the Cutan skin hygiene system.

## Features & Benefits

**Pleasant To Use** - Rich foam is extremely pleasant for frequent use in between hand washing to encourage maximum compliance.

**Instant Action** - Starts working immediately to rapidly kill bacteria, yeast and moulds.

**Economical In Use** - Spreads easily across the skin for maximum efficiency.

**Unique Foam Format** - Quickly and easily rubs across the hand with no drips or splashes.

**Fast Drying** - Dries quickly with no need for rinsing or drying with towels.

**Non-Tainting** - Proven non-tainting formula.

**Conditions Skin** - Contains conditioner to help prevent skin dryness and leave the skin feeling soft and smooth for an excellent after feel.

**Glove Compatible** - Can be used prior to applying gloves.

**Dermatologically Tested** - Formula has been tested to prove it is non-irritant.

**No Gelling Agents** - Leaves no sticky after feel; does not clog dispensers; leaves no mess.

**High Efficacy Formula** - Independently tested to the highest European standards, proven to kill 99.99% (log 5 reduction) of food poisoning bacteria, moulds and yeasts.
